

«Call for Papers»

Conference on
Upgrading Oil Refineries to Produce Clean fuel
25-27 October 2010
Kingdom of Bahrain

Organized Jointly by
Organization of Arab Petroleum Exporting Countries (OAPEC)
and
National Oil & Gas Authority (NOGA)

Under the patronage of H.E Dr. Abdul Hussain bin Ali Mirza, Minister of Oil and Gas Affairs, Chairman of the National Oil and Gas Authority, the Organization of Arab Petroleum Exporting Countries (OAPEC) is delighted to announce the OAPEC/NOGA Joint Conference to be held in Kingdom of Bahrain from 25 to 27 October 2010 on "**Upgrading Oil Refineries to Produce Clean Fuel**".

Participants are most welcome to submit their abstracts before end of May, 2010.

An extended abstract of the presentation, or the power point slides, and the copyright of the abstracts should be sent before end of August, in order to integrate it to the abstract booklet.

The presentation will be delivered in English and simultaneous interpretation facilities will not be available. 20 minutes will be allocated for each presentation, followed by 5 minutes discussion.

The standard presentation format is office 2007 Power Point and a laptop will be provided on the desk.

Key topics for the conference will include:

- Global refining outlook, challenges and opportunities.
- Development of fuel specifications.
- Clean fuel production strategies: technical solutions and economics.
- Refiner`s experience and case studies in upgrading projects for producing clean fuel.
- Impact of clean fuel legislation on existing refineries.
- Refining and petrochemical integration and the impact on clean fuel production.
- Environmental impact of the oil refining industry.

Please find attached the instructions for abstract typing setup.

The abstract could be sent to the organizing committee email address:
skareish@oapecorg.org
